Wednesday 9<sup>th</sup> June 2021

Dear Parents and Carers,

I hope you enjoyed the half term break. It has been lovely welcoming the children back in the sunshine!

You will obviously be aware of the 21<sup>st</sup> June date by which the government intends to announce any easing of restrictions. You will also have heard of the increasing number of cases in recent weeks. We have had to close a class due to a positive case today, for the first time in quite a while.

You may be wondering how this will affect some of the measures we have put in place at Clifton over the last year.

As I am sure you will understand, it is very difficult for us to make decisions in advance of the government announcement on or before the 21<sup>st</sup> June. However, we are already looking at how we deal with a number of things that we have had to introduce. We would like to;

- consider removing the staggered start and end times to the school day as we know this has been difficult for parents
- begin to serve a full menu again for pupils in the dining halls
- offer breakfast club and after school clubs to more pupils again
- continue with arrangements for closing on Tuesday afternoons – this is in line with a number of local schools and has had a positive effect on pupils' learning. We will consult with parents fully later this term.

Being able to do any of these things will depend on exactly what the government announces and also the number of positive cases we get in school, but I wanted to give you all some idea of what we are thinking.

In the meantime, if you have any queries or comments please do not hesitate to get in touch with myself or a member of my senior team on the gate or through the school office.

As always, thank you for your continued understanding.

Yours faithfully,

Nick Lambert  
Headteacher
