Monday 21st June 2021

Dear Parents and Carers,

You will have heard the announcement last week that the government is delaying the lifting of all restrictions, which had been planned for today. The government is confident that these restrictions can now be lifted on 19th July.

Therefore, the Department for Education advice to schools is that the current protective measures should be kept in place until there is a further announcement on Step 4 of the roadmap. The measures we have introduced at Clifton have been aimed at reducing transmission of the virus and we will be keeping them in place now until the end of term.

As I mentioned in my last letter, we will be consulting with all parents about continuing with the current arrangements for Tuesday afternoons. Please log in to Parent Pay to reserve your place at one of these sessions. They will be held at 9.15am in the Woodlands hall on Monday 28th June, Tuesday 29th June, Wednesday 30th June and Thursday 1st July, with places limited to 20 people per session. We will put on more sessions if needed.

Thank you for your continued understanding and co-operation.

Yours faithfully,

Nick Lambert

Headteacher
