

# Meet Our Student Leaders

At Clifton Primary School every pupil is part of the school council and has the opportunity to individually voice their opinions on matters that affect them.

Our school council is led by our Student Leadership Team which consists of 8 pupils from across Year 5 and Year 6. They meet twice every half term to discuss and refer any pupil concerns or ideas.

Ibraheem Year6

Huda Year 6

I wanted to improve our school so future pupils could also benefit.

Hassan Year 5

I joined so all pupils could express their feelings about what they learn.

Rumaysa Year 5

I wanted children to enjoy school more. I wanted to help.
