Dear parents and carers,

Considerate Parking

The parking and traffic around school today at pick up time was extremely busy. **At times, children and parents could not walk safely across the road.**

1. Please DO NOT park on the zig zags (this area now has cones).
2. Please DO NOT park on the corners of White Street. **Parking on either corner is illegal and dangerous.** We have put a cone out but cars still ignore this and park there.
3. **Finally, please DO NOT park blocking the dipped pavements.** I had to ask two different cars to move today as parking here means **that children and parents cannot cross safely.**

If it is raining, please think about parking further away and walking the last part to reduce the traffic around school. We do not want to have a serious accident.

I will be asking the local PCSOs to come and patrol the area and they will give cars parked illegally a ticket.

Thank you for working with us to ensure the roads are safe for children.

Yours sincerely,

S Allen and N Hemming

Dr S Allen and Mrs N Hemming,

Acting Co-Headteachers
