Volunteering Opportunities – Our children need you!

We are very keen to support our community by providing opportunities to volunteer with us. This is a great experience and a first foot in the door to employment - we would be able to provide a reference for future employers and you gain experience in working with children. Currently, we are looking for volunteers who can listen to readers in school. If you are interested, please contact the school office.

Swimming

We have decided that Yr 4 will continue to go swimming in January (not Yr 5 – they previously went in Yr 3). This is to give Yr 4 children the chance to swim 25m independently. Yr 6 will go swimming after their SATs tests in May.

Authorised Adults for Collection of Children

Thank you for returning the slips that name which adults have permission to collect your children. If you have not returned these, please do so as soon as possible. If this information changes (for example, you no longer give permission) you **MUST** inform us immediately.

School Lap tops

If you have a school lap top, please return it to us as soon as possible. If you would like to continue to use it, please ask to see Dr Allen.

Yours sincerely,

S Allen and N Hemming
