

Monday 5th February 2023

Dear parents and carers,

Wow, we can't believe we are nearing the end of another half term! Once again, this has been full of exciting events and visitors – we have had some baby chicks hatch in Yr1! Today we have had a SATs parent workshop and tomorrow we have a parents' meeting for Safer Internet. This week we also have Professor McGinty in to deliver Roman workshops for Yr 5 and a visiting theatre company to perform The Jungle Book for Yrs 4-6. We are all looking forward to Yr 2 performing their Chinese New Year assembly later this week too!

Routine appointments

If you need to take your child for a routine checkup appointment (opticians, dentist, doctor) that is not an emergency, please ensure these appointments are after school or in the holidays please.

Toys in school

We have noticed that some children are bringing in small toys. These can be a distraction during learning time and they might get lost or broken. Please do not let your children bring them into school.

Consultation on 32.5 hour week

A lot of families attended our consultation meetings last week. Overwhelmingly, parents are in support of remaining closed to most pupils on a Friday afternoon to allow for consistency and continuity of teaching through the week. We will be in touch shortly regarding finalised start and finish times of the day for September 2024. Thank you for taking the time to come and talk to us.

School Lap tops

If you have a school lap top, you will know that these have now all been locked and must be returned to the school. If you would like to continue to use it, please ask to see Dr Allen.

Dates until the end of term.

Here are other dates for your diary until the end of the term. Please note dates for parents' evenings.
