Dear parents and carers,

Maths Competition

On Friday 8th March, four talented Year 5 mathematicians won a bronze medal in a challenging and exhausting maths competition held at King Edward's School for Boys. The competition involves schools from across the region and to come away with a medal is a fantastic achievement. This means we are through to the grand final which will be held in April! Well done to those children in Year 5!

Parking

As you may have seen, we have started putting out cones to prevent drivers parking illegally on the Zigzags around school. We are also supervising our carpark and only allowing drivers with Blue (Disability) Badges to enter. This has really helped to ensure the roads around school are safer for children. Please continue to work with us to park considerately and to make the roads a safer place.

Teacher Training Days 2024-25

The following days will be teacher training days next year:

Monday 2nd September 2024

Tuesday 3rd September 2024

Monday 6th January 2025

Friday 11th April 2025

Monday 20th July

School Day Timings September 2024

Thank you to those who attended our consultation meetings regarding the timings of the school day. The overwhelming majority of parents preferred to keep the school closed to the majority of pupils on a Friday afternoon to ensure there is consistent teaching and learning across the week for pupils. This means that we will need to open a little earlier and close a little later each day to meet the 32.5 hour week statutory requirements.

The timings will therefore be as follows from Wednesday 4th September:

8.20am gates open

8.30am start of the school day

8.35 gates closed

3.20pm gates open

3.30pm end of the school day

3.40pm gates close

On a Friday the school will close to most pupils at 1.00pm. Children will have a packed lunch in school on this day. If both parents work or you are a single parent, we can make provision for your child to stay until 3.15pm.

In the meantime, have a wonderful break – let's hope that we get more sunshine!

Yours sincerely,

S Allen and N Hemming
