

Friday 10th July

Dear parents and carers,

With one week to go we wanted to share some important updates and information.

Yr 6 Production

Wow! We are so proud of our Yr 6 children as they performed their end of term production; amazing singing, dancing and acting! At Clifton we know that learning English, Maths and all our other subjects is really important, but so is having the chance to perform and showcase our creative talent. Well done Yr 6 children and the staff team! It's not over yet for Yr 6 as they have their Leavers' assemblies next week as well as their end of term party.

Yr 5 Enterprise

What a brilliant morning! Well done to Yr 5 for organising an amazing event with lots of stalls for children to buy things and run activities. We will look forward to counting up the profits and seeing which stall made the most money! The money will be used to buy extra treats for when they are in Yr 6.

Dog Mentor Gold Award

We were delighted that Mrs Akhtar has been awarded the UK Dog Mentor Gold Award for her outstanding work with our school dogs Bella and Ruby and the children she works with.

Birthday Treats for Classes

If you would like to send in birthday treats and sweets for classes, this is fine as long as they are in packets/ bags with a list of ingredients that can be given out easily and keep children with allergies safe. We cannot cut up and share birthday cakes and please do not send any items in with nuts. Thank you.

Breakfast Club

If you requested a place at our breakfast club in September you will have received confirmation of your place. Please remember that this is now free and is available to all families.

Hot Weather

Thank you for working with us to keep children as cool as possible. We will continue to have fans in classrooms, windows open and blinds down and keep them inside if we feel it is too hot. Please ensure your child comes to school with a water bottle, sun hat and apply sun cream.

Monday 13th July

Your child will come home on Monday with a FREE Clifton T shirt for September. We are committed to this to try and keep the cost of uniform low for families. Please see the office if you wish to purchase additional T Shirts.

Wednesday 15th July

Your child will come home with their end of year report. Please note that the Yr 6 SATs results will not be available until Thursday 18th due to them not being released by the Government until this date.

Thursday 16th July

Children will come home with several of their school books. Please ensure they have something suitable to carry them home.
